Event :- In-house Hakathon

Date :- 28th Sep

➤ *An opportunity to script History AND win prizes! #ProjectIndus 😊*

Join the in-house hackathon for Project Indus!

"The Indus Project" is a "civilizational" initiative that intends to empower all Indic languages through an Open-Source Large Language AI model. In Phase 1, we are considering Hindi as the language for LLM with its 40 dialects (e.g. Avadhi, Maithili, Dogri etc.)

Develop a code that can convert Hindi into one of the 23 dialects and you could win a prize!

MAKERS LAB

TECH mahindra

Indus own Large Language Model

The poster features a stylized map of India with Hindi characters scattered across it. A computer monitor displays the 'theIndus project' logo and text. The bottom left corner has the 'MAKERS LAB' logo and a small illustration of a temple. The bottom right corner has the 'TECH mahindra' logo and a small illustration of a tree and a building.
